

### 'GREECE' is the word!

As Southern Mediterranean specialists we pride ourselves on offering a fast and efficient service from door to door from parcel, pallet, partial and full loads for both hazardous and non-hazardous cargo.

In addition to our direct service to Athens, we now offer a direct groupage service to Thessaloniki in the North of Greece as well as the Greek Islands.

During these difficult times, many customers are changing their buying patterns and are now purchasing to order as opposed to holding stock, therefore relying on us now more than ever to ensure a seamless supply chain from door to door to ensure that your delivery is made on time every time and in perfect condition.

With our strategically placed network of offices throughout Greece and Cyprus we are able to offer a personal service from door to door for every shipment no matter how large or small.

As well as Greece, please remember that we also offer express services to / from Spain, Portugal and Italy which may also be of interest to you. For more information, please visit our website at [www.trafertir.com](http://www.trafertir.com) or contact us for further assistance.
