

### 'THE ITALIAN EXPRESS SERVICE'

As Italian Specialists we pride ourselves on offering a fast and efficient service from door to door from parcel, pallet, partial and full loads for both hazardous and non hazardous cargo. As well as our standard direct services we also offer an "Express Service" via our Milan hub offering you a 72 hour transit time between Italy and the UK. During these difficult times, many customers are changing their buying patterns and are now purchasing to order as opposed to holding stock, therefore relying on us now more than ever to ensure a seamless supply chain from door to door for a delivery on time every time.

In addition to the express service, we continue to offer our groupage departures every Tuesday and Friday to / from, Bologna, Civitanova Marche, Florence, Rome and Verona.

With our strategically placed network of offices throughout Italy we are able to offer a personal service from door to door for every shipment no matter how large or small, this also improves transit times throughout the whole of Italy, Sardinia and Sicily.

We also offer express services to / from Spain and Portugal which may also be of interest to you. For more information, please visit our website at [www.trafertir.com](http://www.trafertir.com) or contact us for further assistance.
